Online resources:

Maps of upper stretches of the Wisconsin River from Wisconsin Valley Improvement Company
http://www.wvic.com/Content/Wis_River_Canoe_Trail.cfm

To see aerial photos and labels of portage routes around a dam, go to one of the 23 Wisconsin River Centennial Trail Map [maps](#) and then click on the dam symbol and see the aerial photo and portage. E.g. [Stevens Point Dam aerial photo](#).

Maps of Lower Wisconsin River from Wisconsin Canoe Company
<https://thebestcanoecompanyever.com/maps/>

Maps of Lower Wisconsin River from Department of Natural Resources
<http://dnr.wi.gov/topic/lands/lowerwisconsin/> (click maps tab at bottom)

Maps of Lower Wisconsin River from Lower Wisconsin State Riverway Board
<http://lwr.state.wi.us/section.asp?linkid=233&locid=50>

Map of Wyalusing State Park Canoe Trail (at confluence with the Mississippi River)
<http://dnr.wi.gov/topic/parks/name/wyalusing/>

Wisconsin River dams http://www.paddleaway.com/dams?river_id_param=2042
